Explanatory Note

This Amendment No. 1 on Form 8-K/A amends the Current Report on Form 8-K filed on May 30, 2019 (the “Original Filing”) by Merrimack Pharmaceuticals, Inc. (the “Company”). The Original Filing reported, among other items, the Company’s intention to terminate all of its current employees. At the time of the Original Filing, the Company was not able to estimate the charges or range of charges that it would incur for one-time termination benefits for employee severance, benefits and related costs in connection with this action. The Company hereby amends the Original Filing to include information on such an estimate or range of estimates with respect to such action in Item 2.05 below. Other than as set forth in Item 2.05 below, no other disclosure in the Original Filing is amended by this Form 8-K/A.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On May 30, 2019, the Company announced that, on May 23, 2019 and May 29, 2019, its Board of Directors (the “Board”) had committed to a course of action to terminate all of its current employees. This action was substantially completed by June 28, 2019 and is expected to be fully completed in July 2019. The determination to proceed with this action was made in the context of the completion of the Company’s review of strategic alternatives.

As of May 30, 2019, the Company was not able to estimate the charges or range of charges that it would incur for one-time termination benefits for employee severance, benefits and related costs in connection with this action. The Company is now able to estimate that it will incur charges for one-time termination benefits in connection with this reduction in headcount of approximately \$3.3 million to \$3.6 million for employee severance, benefits and related costs, all of which are expected to result in cash expenditures.
